

The Village News

April 2017

1. We have a new exciting fundraiser this month, Double Good Popcorn! It offers tons of delicious flavors and The Village receives 50% profit! All proceeds will go directly back into the classrooms. The fundraiser will run April 3rd through April 13th. Look for the brochure in your child's cubby!
2. The sun is getting hotter everyday; this means that it is time to bring in sunscreen. We ask that each child has their own bottle of sunscreen to be stored in their class. This allows the teachers to reapply the lotion before going outside. Make sure that the bottles are clearly marked with your child's first and last name.
3. Please remember that we do require annually updated health records and immunization records for every child in attendance. If you plan to have your child in to the doctor anytime soon, please stop by the office to pick up the appropriate forms to be filled out by your child's physician.
4. Mark Strivings will be for here his monthly magic show April 11th.
5. Lil' Angels Photography will be here Thursday, April 27th to take class pictures! We would like to encourage those that do not normally attend that day to come and take part in the class picture. Please be sure to have your child here for the picture by 9am. Don't forget a change of clothes for your child to change into after pictures are taken.
6. The Week of the Young Child takes place April 24th – 28th this year. The Village will be providing some fun activities during the week for the children.

The weather is starting to warm up, so get out there and have some fun! Hope everyone has a wonderful month of April!!!
