February is Dental Health Month. A pediatric dentist from Kids Tooth Doc will be here Tuesday, February 9th. She will visit with the children and demonstrate good dental hygiene.

Mark Strivings will be here for his monthly magic show on Valentine's Day! He is sure to have a valentine or two up his sleeve!

Hawk Quest will visit the school on February 16th. It is always such a neat experience for the kids to meet large birds of prey up close!

Attached to this email you will also find a "Summer/Fall Plans" form. We need to know what your plans are for the summer and for the fall. This information helps us to better plan for future enrollments. Please return this form to the front office by Friday, February 17th. Thanks!

The Village will be CLOSED on President's Day, Monday, February 20th, for a teacher in-service day. Have a wonderful holiday weekend!
